SUNDRIES: Sundries include art and craft material, photocopying, folders, homework journals, pupil personal accident insurance, materials for Student Led Conferences, etc. The cost for this is €60 per child. This is not a voluntary contribution and does not go towards making up a shortfall of funds in the school. It is used exclusively to provide basic resources to your child.

BOOK RENTAL: The school operates a book rental scheme. The aim of this scheme is to reduce the cost of books to parents. Your child will have access to a wide library of books for use in the classroom and at home. These books will be returned to the school at the end of the school year and should not be written in. It is expected that these books will be kept in good condition by the children renting them. The cost for book rental this year is €40 per child.

PRIMARY PLANET: Primary Planet is a magazine for senior students which issues monthly. The cost for this is €20 for the year. It is used by teachers as a base for learning.
